Subject: RE: PM10 Exceedances at Socorro Hueco (AQS: 48-141-0057) El Paso, 2017 and 2018

Hi Dot. Thanks for your emails. Would the afternoon of July 2 work for ya'll for a pre-Initial Notification conference call? We could do anytime between 1:30 and 4:00pm.

Thanks,
Melanie

Melanie, Consider this your bi-monthly check in. Any update for us on when we can expect Initial Notification process to PM10 exceedances in El Paso county, at subject monitor? Thanks

Our new address is:
U.S. Environmental Protection Agency, Region 6
1201 Elm Street, Suite 500
Dallas, Texas 75270-2102

Dorothy Crawford

Subject: PM10 Exceedances at Socorro Hueco (AQS: 48-141-0057) El Paso, 2017 and 2018

Based on our communications back in June and December 2018, I understand TCEQ may start the Exceptional Event Initial Notification process for the subject exceedances after the Data Certification submittal due May 1.

Attached is an updated R6 summary of the Initial Notification (IN) process. As of yesterday's realignment effective date, any IN letter should be sent to our new Branch Chief:

Jeffery J. Robinson, Branch Chief, Air Permits, Monitoring & Grants Branch

Also, our physical location will be changing sometime in June but please use our existing mailing address unless an official change of address information is released. Existing mailing address is:

Region 6, U. S. Environmental Protection Agency
1445 Ross Avenue
Dallas TX 75202-2733
